XML Parser for Java

Date Posted: February 9, 1998

↓| Learn more

XML4J has graduated.

XML4J is now available as Apache's Xerces-J Parser.

There are some current alphaWorks technologies that are known to work with only with XML4J and not with Apache's Xerces-J Parser. If you need IBM's version of XML4J, please contact Neil Graham.

Related terms:
Agent Technology, Database/Data Management, Intranet/Internet, Java, XML
